

A Practical Guide to Road Traffic Accident Claims (Practitioner Series)

The main aim of this book is to provide a comprehensive source of professional advice and assistance in conducting road traffic accident claims both in civil and criminal proceedings. From gathering the facts on the claim to any litigation that may follow, it offers practical help on assessing liability, expert evidence and loss or damage of the vehicle concerned. It is intended for all those involved with road traffic accidents claims, including solicitors, barristers, police officers, insurers and loss adjusters.
