

ALL FILLED UP (Growing Up Together Taboo Pregnancy Romance)

Its the age-old story: Boy meets girl. Fall in love. Have a baby. Live happily ever after. Not so fast... Sara and Landon are close. So close they grew up in the same house together. So believe me when I say, things are a little complicated. Did I mention that hes got the biggest piece of equipment shes ever seen? But you cant stop true love. Or at least true lust anyway. Besides, if they do it fast and hard maybe nobody will find out. And theres no time to worry about using protection. When youre in the heat of the moment who can even think about pulling out? Not these two taboo love birds. But will they be able to keep their dirty little secret?
