

Villette (Annotated)

Villette is an 1853 novel written by English author Charlotte Bronte. After an unspecified family disaster, the protagonist Lucy Snowe travels from her native England to the fictional French-speaking city of Villette to teach at a girls school, where she is drawn into adventure and romance. Villette was Charlotte Brontes fourth novel; it was preceded by and is a reworking of the posthumously published *The Professor*, her first novel, and then by *Jane Eyre* and *Shirley*.
