

Archstone Walnut Creek: Tishman Speyers Third Reich Apartments is a scathingly satirical pamphlet recounting the sordid episode in which Archstone general manager, Commandant Denise Hesselink, aka the Great Little Dictator, wrote the idle girly threat of some ambiguous and vague legal action against a tenant for sending to the apartment management(via its resident website contacts)two emailed comment cards criticizing the fitness centers ramshackle treadmill and its security-enforced hours of operation. Commandant Hesselink most mistakenly thought that issuing empty legal threats for trumped up violations of the camp compounds lease agreement-based upon false and groundless accusations of harassment-would quietly stifle and suppress that tenants legitimate vocal complaints. She was wrong. This book then is the promised oath of action, not talk. Its likewise an effective lesson in manners for ill-mannered and ineffectual office functionaries. Its finally an invaluable lesson in recruitment for the Tishman Speyer High Command for hiring inept and incompetent personnel! Archstone Smith-Trust. Lame-Ass Apartments. Piss-Poor Service. Guaranteed!
