

When Kate Vale decided to spend the summer as a waitress at parties for the super-rich, she knew she would be moving in circles she'd never encountered before - a completely different world. It turned out to be a world she had never even dreamed about. A world of depravity, of pure unbridled lust; a world of control and submission, of pleasure and pain, a world where the boundaries between the pleasure and the pain blurred, shifted, vanished. That summer, she discovered a new Kate, one she'd never even known existed, one that would have shocked her rigid if she'd been aware of it before those few weeks working in the Hamptons. That summer, she discovered the Billionaires Sex Club. An adult story of bondage, multiple partners and more from the bestselling author of *Bad Again* and *Taken at the Club*.
