[Siren Allure: Erotic Futuristic Sci-Fi Romance, bondage, HEA] Rella Cinder was born to the submissive race on her planet and has finally reached the age of maturity. She has hated her nature since birth and has fought her submissiveness. As the youngest of four sisters, she watched the others go off and look for mates. This time she's forced to comply with the government's edicts, which includes attending the Unity Ball and taking a mate from the warrior species. What she doesn't know is that she has already caught the eye of a warrior before stepping foot into the Ball. Warrior Sabar TBrun is ready to take a mate but doesn't want a weak female. He sees what he craves in the willful Rella during her Initiation Ceremony. Her sweet submission and soft cries of passion are exactly what he wants in a mate. Can they find each other before the Unity Ball ends? Or will someone else claim her? ** A Siren Erotic Romance
