[Menage Amour: Erotic Paranormal Menage a Trois Romance, M/F/M, BDSM, angels, demons, public exhibition] Though tripling is necessary for immortals to survive, warrior angel Kronos doesn't want to share Eve Rousseau. When she slips away undetected, his guilt multiplies. He swears to find her before it's too late. Eve's rescue from a band of demons ends in captivity. The immortal warriors say it's necessary for her safety, but she doubts their motives. Jinn commander Nash is rewarded for rescuing Eve from the claws of the monsters. He's assigned to identify which two immortals can activate her dormant bloodline magic. But being near her ignites something inside him that he doesn't understand and can't snuff out. All he can think about is bending her to his will and providing her with pleasure. Eve wants nothing to do with the invisible world, including Nash and Kronos. Will she fall victim to the evil pursuing her, or will she finally surrender to love? ** A Siren Erotic Romance
