Extract: He was tied firmly to the ironwork of the bed by his wrists and ankles, and with horror looked down at his bare chest he was completely naked. What the fuck? he said. Hush my Madam wishes for silence, said a soft female voice, close and hot against his ear. To his right stood a woman, almost elfin in appearance, short dark hair framing the pretty angular face. Her nose was straight and small, though not upturned, and her eyes sparkled with a mischievous green light; but what grabbed Terrys attention the most was that she wore only a pair of tightly fitting white leather shorts her torso was completely bare and her nipples seemed extremely pink against her pale flesh and she was holding a large pair of scissors. That drew Terrys attention all right. What you doing with those? Terry said, acutely aware of his nakedness and his cock that hung between his opened legs. Madam demanded you be stripped, she said, gesturing to the floor where his cut clothing lay piled in a heap. Mother\*\*\*\*\* my f\*\*\*\*\* Levis easy Terry mustnt lose it, those shears look sharp. She did, did she? Terry said calmly. How about you untie me, and Ill forget about my jeans. And what does that entail honey? Thats up to Madam though Mr Aguela said you are a very bad man. Terry could see this was going nowhere and tried to maintain an air of pleasantness. And whats your name honey? Im Vanity an acolyte. An aco-what? Mistress teaches me, and
