

The Art of Deception: An Erotic Romance Novel

From the author of *Lives Entwined*... Contains scenes of a graphic nature intended for adult readers only. Matthew Edwards III was content with his ordered life as a rich, dynamic CEO, until he saw the strawberry blonde woman with the enchanting eyes, and she was all he could think about. He couldn't believe his luck when he kept running into her, but something was off: she never even glanced in his direction, but it just made him want her even more. What lengths would he go to just for her to notice him? Cat Landry was content with her messy, but fun, life as a low level art consultant, until she was handed an opportunity that she couldn't refuse. She took the chance to become someone else, someone that she aspired to be and she was loving it... until it backfired on her and she lost everything. Their paths kept crossing, but soon they were in too deep, each with their own deception. Would it be too late to come clean and salvage what they each sought or has the damage been done?
