

Highlanders Kiss (Clan Matheson) (Volume 1)

There can be only one for both of them. Fae-blooded Julia holds the ability to read another's aura and determine their true intent. Her skill has only ever aided her in life, until the day when their neighboring enemy clan arrive to discuss a marriage of alliance between her and their chief's son. She misjudges their enemy's intent and all goes horribly wrong. Her parents are captured and imprisoned and now she must find a way to free them. Only now standing in her path is a fiercely protective warrior who has traveled from the future into the past, a man who insists they are soul bound, and a man whose aura shows no sign of such a bond. She is wary, yet still, she can't deny how much he stirs her deep within. Highland warrior shifter Tavish Matheson has traveled through time to find the woman his soul demands is his, yet convincing her will be a mission all unto itself. When Julia is kidnapped by the enemy while on a mission to save her parents, he sets out in fierce pursuit. All he desires is to keep her close, rescue her parents, and most of all, to offer her his love. He's a warrior who will not be denied. She's a lass devoted to her kin.
