

# Evernote Essentials: From Beginner to an Evernote Expert (Evernote, Evernote Essentials books, Evernote for Dummies)

Imagine living in a world where you no longer have to face the all too familiar clutter of sticky notes and notepads. Think about how great it would be to be able to reclaim space taken up by filing cabinets, calendars, and other organizational tools that only serve to create more clutter. Evernote, a free app available on Apple and Android devices as well as Windows, allows you to do all of this. In this book, you'll learn: How to take effective, well-organized notes. How to use Evernote to convert pictures of documents to text. The best ways to sort your files and folders on Evernote. Much more!
