

Filled by Tentacles (Fertile Tentacle Erotica)

Carrie has problems with her ex-boyfriend Victor. For one thing, he's a mad scientist. He's jealous and obsessive and won't let her go. And for another thing, she hates being single. She misses all the things she and Victor used to do together...but she and Victor are over. Carrie won't let Victor get within a mile of her. But that doesn't mean he can't send his tentacled invention to pleasure her and impregnate her...Carrie may be surprised at first, but she soon finds that the tentacled creature satisfies her in just the way she's been craving.

These tentacles are all still the same tentacle, but they too can move. Once a woman has been deeply violated she is released after being filled with seedlings. to see hallucinations and also increases fertility both in men as in women.
