

Albert Oehlen: 1991 2008

This volume takes up the concept of one of Oehlens recent installations, in which he juxtaposed paintings from 2008 with his post-non-figurative work from 1991. Of his recent paintings, he states, I wanted emotions! Big colorful things with immediate appeal. The book as a whole proves the range of his artistic curiosity, which challenges itself, the viewer and the medium of painting with its ever-evolving approach.
