

Finishing Me Off (Lesbian Explorative Erotica): (Fun With My Neighbors)

Kristen loves her Fridays when she and her ER doctor husband finally get to spend intimate time together drinking wine by the fire and among other adult activities. But when Kristen is brought just to the edge nearing a fireworks finish, her hubby is called into the work and she's left all hot, bothered, and in desperate wanting for aching completion. Little does she know that while she and her hubby were connecting on the couch, her hot lesbian neighbors were enjoying their own peep show and are eager to be on Kristen's front porch the moment her hubby zooms off to the ER. We really want to help finish what that husband of yours didn't get to finish... Kristen lets her gorgeous lesbian neighbors in and is about to find the explosive resolve of her life! This 3,300k lesbian saturated explorative erotica short story will get you all hot and bothered.

Throughout the region, neighbors, strangers, and families have also joined in the violence. .
