

Hedi Slimane: Anthology of a Decade, USA

Two surfers carrying their boards through a canyon in San Onofre, California; artist Banks Violette's extensive network of chest and arm tattoos; the phrase 'the dance floor' written across a clear blue desert sky; Gore Vidal's typewriter; a Python 357 revolver; and one of Beck's acoustic guitars are some of the subjects captured in Hedi Slimane's photographs in the USA volume of *Anthology of a Decade*. Taken in New York and Los Angeles between 2007 and 2011, Slimane's black-and-white images capture celebrities--including Vidal, Kenneth Anger, Ed Ruscha, Courtney Love, Joe Dallesandro, Johnny Rotten, Brice Marden, and Brian Wilson--alongside portraits of beautiful young boys and girls (some of them models, some of them skaters, surfers or street kids), landscapes, street scenes and still lifes.
