

Hot Highland Fling (Erotic Journeys Book 1)

Free lance writer, Ailsa Jackson is finished dating executives. Shes looking for hot sexual fantasies with a man who fits her needs... All muscle, stamina and no commitment. The assignment in the UK sounds perfect when shes assigned to interview an American CEO who recently inherited lands and a title in Scotland. She tosses her inhibitions aside for the first Highlander she encounters--prepared to research all the old myths about brawny Highlanders and answer the age old, burning question: What does a Scotsman wear beneath his kilt? Colin Fitzgerald knows its wrong to deceive Ailsa, but he cant risk her discovering his true identity before he seduces her. Unfortunately, he is everything Ailsa hates. Yet if he can become the lover she adores, perhaps he can convince her theyre perfect for each other. He has one night to prove hes no stuffed shirt and three weeks to become everything she desires in a lusty lover. His adventurous lass is imaginative and willing. But can lust turn to love so quickly? And will they be ready for more than a Hot Highland Fling when their time together draws to an end?
