

ILLUMInations: 54th International Art Exhibition la Biennale di Venezia (International Art Exhibition) (Paperback) - Common

Searching for a new light as a means for communicating with the viewers. La Biennale is one of the worlds most important forums for the dissemination and illumination of the current developments in international art., states Curiger of her exhibition. The title chosen, ILLUMInations, literally draws attention to the importance of such developments in a globalized world. I am particularly inter...
