Loving a Texan from New Orleans, PART 3: Marriage & Intimacy This book is PART 3 in the Loving a Texan from New Orleans series. Find Parts 1, 2, 4 and 5 on this website. INTRODUCTION:

Savannah Castillo and Hunter Wolf met and fell in love. She moved from the Atlanta, Georgia area to Wolfs Lair, Hunters sprawling ranch on the outskirts of a tiny, Texas military town. Savannah is both nervous and excited about becoming Hunters wife -- and about becoming the stepmother to his children. But there are hurdles in Texas she could have never imagined that may threaten their union.

Will temptation, duty, stepchildren, and the fear of crossing sexual boundaries tear them apart before they reach the altar? Or is their love strong enough to transcend it all on the journey to matrimony?

EXCERPT: Please stop, I felt like I should demand, secretly enjoying the stinging of his hands against my sweaty buttocks. Do you want me to stop? he groaned, sweat pouring from us as he stroked and slapped my flesh again and again. Oh, Hunter, I said, unable to control the passion building inside of me. Yes, Savannah, he uttered through heavy breathing. Do you want me to stop? His riding became deeper, more deliberate, as his body continued to control my wild movements. A thrill of excitement rushed through my veins as my body exploded with him behind me. Hunter shivered and held fast to us as the river of our lovemaking became one. We stood there, locked together, as he kissed me gently on the shoulders, pulling me closer to his naked, muscular frame. As I relaxed, he eased his body gently from mine. Ive never had a spanking before, I blushed, unable to look in his eyes as I turned toward him. You like? he asked, lifting my chin, forcing me to look at him. Yes, I panted. I like. Good, he said, pulling my face into his iron chest. Thats good, baby.
