

Taken (Dragon Shifter Menage Paranormal Romance) (Dragon Princes Of Endor Book 1)

Completed Serial After leaving everything behind, Dani Storm takes to the road in an RV. When she steps into a cave, deep in the forest, her life is changed forever. Conyac and Trav are dragon shifter princes with a problem. There are no female dragons left in their world. Without a queen, neither can become king. As an enemy army grows in power, the princes must find a way to defeat the devastating scourge. Will Dani accept what she is or will her past make it impossible for her to come to terms with her new reality? Cliffhangers ahead!!!
