

THERES ONLY ONE HOLE WE WANT AND WERE ALL TAKING IT: A Rough Anal Sex Gangbang Short (The Rough Stuff)

Leah is an agent, not a model, but when theres a scheduling conflict, she steps up to fill in the gap. Thats how many will have her virgin asshole, and thats how many humiliate her by spraying their semen right on her face. Of course, that wont happen until after her body has already been tortured by a vicious spanking with a heavy paddle!Warning: This ebook contains very graphic depictions of sexual activity during a rough anal gangbang. In includes bondage, painful spanking, very rough sex, and humiliation via facial cumshots. It is intended for mature readers who will not be offended by explicit descriptions of sex acts between consenting adults. Here is a preview: Unless youve ever done any nude modeling, you cant imagine what its like to be naked in front of ten or twelve fully clothed people. Youre standing thereor in my case, bent over thereand everyone is just walking around normally like youre not displaying everything for them to see. You cant imagine they dont see you though because youre the center of attention. As I stood there, the wood of the stocks digging into my wrists and my neck, I was acutely aware that everyone there had a perfect view of my ass, my pussy, and at least some part of my tits. Various photographers surrounded me, and the director kept up a steady drone of dont forget to look unhappy and look scared and dont smile as flash bulbs went off everywhere. After about twenty minutes of that, one of the set aides brought a ball up to me and held it in front of my face. I had no idea what it was or what he wanted, and he leaned in and whispered to me that I needed to open my mouth. It was a ball gag. I hadnt read the contract, so I hadnt prepared myself, but I rolled my eyes and opened up. The set aide gingerly pushed the ball into my

mouth, but gingerly or not it was uncomfortable as hell and stretched my mouth wide. I felt him putting a strap over my mouth and the ball and then tying it over my head. Everyone moved away, and the director said, Okay. You cant make facial expressions now, so make sure your eyes express all of the fear, the pain, and the lot. Youre doing great, sweetheart. Just keep it up. Show me terrified eyes, okay. Here we go! The flashbulbs started flashing again, and there were suddenly cocks in front of me. Four or five naked men with enormous cocks, huge and erect stood by the stocks, and I have to admit that I didnt have to fake to feel a little afraid. Every one of the men wore a black leather executioners mask, and my eyes indeed got wide eyed with terror. Great, Baby! Thats good. I felt a sudden pain on my ass cheeks, and a loud smack hit my ears. The director said, Thats it. Really hard. There was another crack and my whole ass lit up with fire. I felt tears spring to my eyes. Goodgood. Now, five or ten more, really hard. The director looked at men. Your face is perfect, Baby. Keep it up. I didnt want to keep it up. My ass was hot and burning with pain. I wanted it to end, but the gag in my mouth kept me from saying anything. The paddle fell on my ass and my thighs again and again, and each time it slammed into me, I yelped around the gag. By the sixth, I was weeping, tears running down my cheeks. By the tenth, I was sobbing hard, my whole body shaking.
