

## Janes Playmates (A Wild West Erotic Adventure Book 1)

Tarzan and Jane have never been this horny... Deep in the heart of Africa, Jane searches for her long lost father, the famous explorer, Author Tennent. Her uptight chaperone, Evelyn, is hiding a dirty secret. She's been administering a soothing technique to her young ward for years, and society would be scandalized, if they knew what it was. A rough and tumble Texan by the name of Maxwell Collins heads the expedition. He's unabashedly interested in the lovely Miss Tennent and harbors a rather stiff crush. Natives with raging libidos, a great white-ape who enjoys swinging from vines with women, and an orgy loving chief, all play a role in this adventurous story about lust and love.
