

The Business of Podcasting: How to Take Your Podcasting Passion from the Personal to the Professional

This book is by two of the pioneers in podcasting: Donna Papacosta of Trafalgar Communications, host of the popular Trafcom News Podcast and an internationally known trainer and seminar leader; and Steve @PodcastSteve Lubetkin, founder of Professional Podcasts, one of the first podcast production companies and a division of The Lubetkin Media Companies LLC, an award-winning producer of business and organizational podcasts, with more than three quarters of a million downloads. Unlike other podcasting books that delve into the mechanics of creating a podcast, *The Business of Podcasting* tells you about the business side of podcasting: how to position clients expertise through podcasting, the best business models, how to find clients, contracts, legal reviews, and much more.
