

Erica wakes up in the middle of a pitch black forest, and the last thing she can remember is her phone dying as she walked home through the darkened streets of Paris. Suddenly, she is face to face with a handsome, mysterious stranger named Troy, Europe's fallen werewolf prince. Troy claims that he saved her from her stalkers. But when he reveals his true motive to claim her as a mate of his own, Erica is left with a dilemma. Unable to make sense of this bizarre new sensual world, her mind tells her to run—but her body says otherwise.—Note: This 8,000+ word short story contains scenes of graphic language, a curvaceous bbw girl, rough sex, oral sex, and explicit descriptions of sexual activity between a plus size girl and a royally sexy werewolf alpha. Intended Only for Mature Audiences 18+. Reissue.
