

Tastefully Tortured (Volume 1)

Tastefully Tortured is frighteningly twisted and erotic story of a young girl's dark road of self-discovery with an experienced older man. Harper just turned nineteen years old. She's extremely frustrated with her boyfriend and their sexual relationship. Then an erotic and twisted encounter leads her on a path of self-discovery. She meets Riley Slate; a charming, charismatic older man that teaches her to embrace what she always believed should be hidden away. Riley forces Harper to admit things to herself, he forces her to crash through boundaries, but most importantly, he offers to teach her how to use her newly discovered power of seduction to her advantage.
