

## Her Secret Agent (Fast Fiction)

Falling for a secret agent only leads to heartbreak. Jennifer Green knows this from experience. She loved FBI Special Agent Trevor Hanks once, and then he left her without a word of explanation. And now, two years later, he wants her help to infiltrate her own family. Trevor never wanted to hurt Jen. But he didn't have a choice then, and he doesn't have one now. Trevor is convinced that Jen's cousin is connected to a black-market baby ring, and to bring the criminals to justice, he needs to attend the family reunion with Jen. As her boyfriend, it's a position he finds himself enjoying a little too much until the reunion turns deadly. Suddenly, Trevor has a new mission: keeping Jennifer safe until they can bring the ring down and until he can ask her for a second chance.
