

# Unspeakable Subjects: Feminist Essays in Legal and Social Theory

The essays in this book present a feminist critique of law based on an analysis of the ways in which the very structure of modern law is gendered. Ranging across such fields as criminal law and anti-discrimination law, Lacey examines the conceptual framework of modern legal practices, the concepts of equality, and the relationship between the state, the individual and the community.

Ranging across fields including criminal law, public law and anti-discrimination law, the essays examine the conceptual framework of modern legal practices: ELAINE STERNBERG. PHILOSOPHY OF LAW.
