

Security is the hottest topic in IT. The past four significant Internet worm attacks alone have cost companies more than \$10 billion in repairs and lost productivity. And as hackers continue to discover new ways to exploit vulnerable networks, the need for up-to-date security information grows. This revision of the best-selling Security Complete is compiled from some of Sybex's most authoritative titles on network security. It will help anyone involved with maintaining a network to better secure it and prevent disasters from occurring and systems from crashing and destroying vital corporate data. The ISBN of the previous edition was 0782129684.

Mastering the Internet, XHTML and JavaScript (2nd Edition), Encouragement Journal & Self Help Workbook: Inspirational Exercises, Motivational Quotes, Writing Prompts & Coloring Pages To Encourage Personal Growth (Inspirational Journals To Write In) (Volume 1), Front Row Center-Inside the Great American Airshow, Secure Shell in the Enterprise, Family Law for the Paralegal, Acrylic Painting Kit: A complete painting kit for beginners, Delphi Programming Tutorial - (Second Edition), Medicare & Medicaid Benefits 2011 (Medicare and Medicaid Benefits),
